

## SHELTON'S COFFEE

Shelton's Coffee is a family run business with over 40 years of tradition and passion for the best Colombian coffee. We pride ourselves on **innovation**, supplying the **highest quality** of **Single Origin** Arabica Colombian Coffee direct from crop to cup.

Sustainably grown, ethically farmed and carefully roasted, our coffee is **never blended** and showcases the flavours of Colombia's finest coffee growing region.

SHELTON'S COFFEE

Since 2009 we have supplied the UK Fine Food Market (Delicatessens, Farm shops and Food Halls such as Harrods & Selfridges in the UK) with our traditional Colombian Coffee in beans & ground.

Since March 2016, we launched into the UK Market our unique and Innovative Flavoured Coffee Hearts, which transforms the *highest quality of Single Origin Colombian Arabica coffee beans into simple, stylish and innovative Coffee Hearts that can be enjoyed only adding hot water without using machines.*

Our products are now available in other international markets such as Hong Kong, Lebanon, Denmark and Qatar.
